

Food Fact Sheet

Cayan Grill (Burgers, Twisters, Melts & Fillet)

Allergen Information (Information correct as at: 31 August 2009)

At KFC the quality of our food and the health of our customers are critical priorities for us. We are committed to providing you with the information you need to make informed choices for yourself and your family. To assist those who may suffer from allergies to various food ingredients, this brochure includes a listing of our certain menu items and states whether or not a number of common allergens are present in these products.

P = Present

Based on information from our suppliers, the listed allergen is present in the product as an ingredient, food additive or processing aid

T = Trace

Based on information from our suppliers, the listed allergen is stored at or used in the manufacture of other products at the production site for the product or an ingredient of the product

Cayan Grill Fillet	T		T	T	T	T	T	T	T	T

A blank square in the above table indicates that the supplier has reported no presence of the listed allergen or traces of the listed allergen. Please be aware that there is always a risk that traces of allergens may be transferred to a product during processing, storage or preparation at store level. For these reasons we cannot guarantee that any product sold is free from traces of listed allergens.

If you have a particular sensitivity to any of the listed allergens, please contact our Customer Service Hotline for further information prior to consumption of any of our products.

If the product you wish to purchase is not listed, please contact our Customer Service Hotline.

If you are particularly sensitive to specific foods or ingredients, or if you have any other food allergies, intolerances or specific religious/ethnic or other dietary requirements, we strongly recommend that you contact us so you can obtain further information.

We also encourage you to contact us if you would like nutritional information on the above products.
